# Appendix D: Publications Referencing the O*NET Data Collection Program

**Page**

The following pages list publications (1993–2020) describing use or study of O*NET data and products. References are organized under the following 10 categories. Some references may appear under more than one category.

<div align="center">
Application Development
Databases and O*NET Database Research
Education and Career Development
Future of Work
Industrial/Organizational Research
O*NET Products and Tools
Skill, Industry, and Labor Reports
Social Science Research
Workforce Development
Other Research Areas
</div>

## Application Development

Fiegerman, S. (2010, September 7). Gov't launches job site for unemployed. *TheStreet.com.* Retrieved October 31, 2017, from https://www.thestreet.com/story/12807227/1/gov-t-launches-job-site-unemployed.html
