

**O\*NET Database Release 16.0**  
**Errata Sheet Number 2**  
**Page 1 of 2**

**November 4, 2011**

Two files of the O\*NET database were revised.

<b>File Names</b>	<b>Required Action</b>
Green Task Statements.txt Task Statements.txt	Revise the “Domain Source” field from “Incumbent” to “Analyst” on 432 task statements. All affected task statements are Green tasks added in the 16.0 release, without accompanying task ratings.  A total of 432 rows are affected in each of the files. This revision includes the “Domain Source” column only.

Note: This Errata Sheet contains all previously published errata since the initial release of O\*NET Database 16.0.

**O\*NET Database Release 16.0**  
**Errata Sheet Number 2**  
**Page 2 of 2**

**October 12, 2011**
